

# PCX 60A

COMPACTING

Midweight professional multi-purpose compaction plate. The ultimate combination of weight, power and versatility enables this plate to perform in a multitude of applications to the highest standard.

**HONDA**

Integrated 'Quick Engage' Wheel Kit

## FEATURES & BENEFITS

- 11kN high performance Vibrator for maximum compaction and excellent travel speeds.
- Sealed oil filled vibrator with top quality bearings for reliability and durability.
- Ergonomic operator handle for precise manoeuvrability, includes Pull-Back bar.
- Thickener Plate in rear of Baseplate for increased durability.
- Specially engineered Fabricated Baseplate designed to eradicate 'Track' marks on asphalt.
- Collapsible handle for easy storage & transportation.
- 3 mount HAV system for reduced HAV levels and improved usage time.
- Integrated 'Easy-Fit' 12-litre Water Tank & 'Easy-Clean' Spraybar system.
- Durable metallic Water Control Tap for high flow rate.
- Low HAV handles that still allow precision control.
- Integrated 'Quick-Engage' Wheel Kit.
- Handle Latch for increased stability whilst operating the Wheel Kit.
